WHAT OUR LOVERS SAY

CYDNEY AND OLI

WATSONS BAY BOUTIQUE HOTEL

Little Lane Girls... I've dreamed of my wedding day my entire life, and the day is finally here! I couldn't have asked for better women to make my dreams come true. You've made this whole process easy, fun and possible to plan all the way from Los Angeles! You are such a talented team of women, I was so lucky to be able to work with you over the last 9 months. I hope this isn't the last time we work together either. I can't thank you enough for all your hard work and patience with me. It was all possible because of you!

Thank you, thank you, a million times over!

Kirra and her team helped coordinate our wedding day to perfection. I planned our wedding from afar and Kirra was so helpful in providing tips/tricks/coordinating vendors and receiving our styling props from our brand Olive Ateliers, keeping them safe and making sure they were styled to perfection on our special day. We highly recommend Kirra's services. Anything Little Lane Events touches is gold.

JOSCELINE AND DILLION

BEST AND FIRST DECISION I MADE AS A BRIDE.

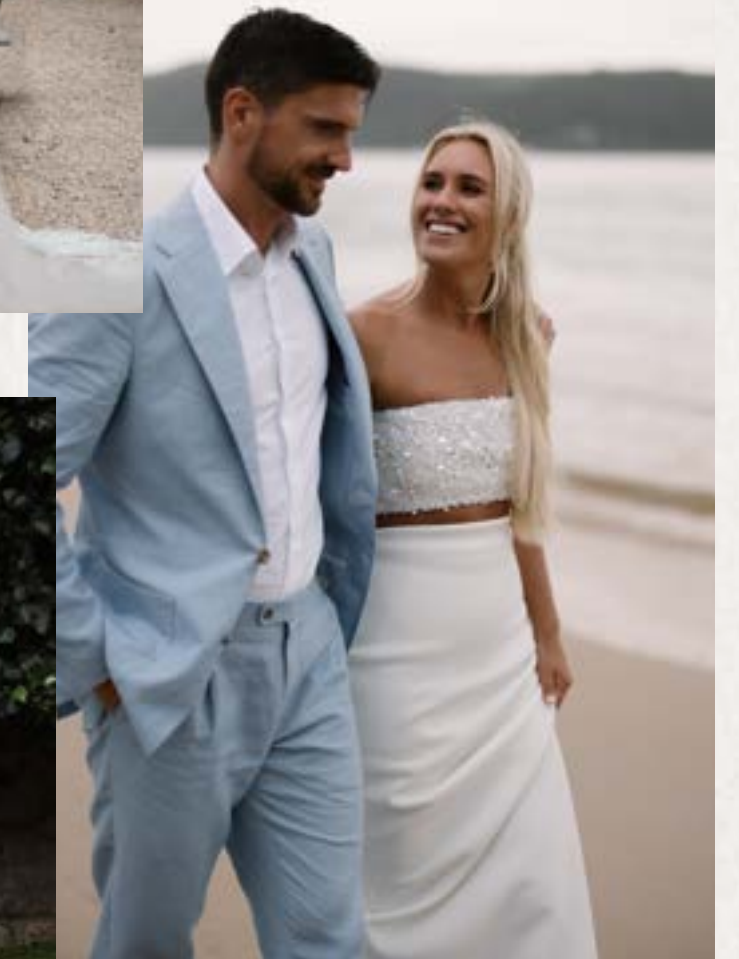

I knew before I got engaged when it was my time I had to have the Little Lane Events team there to support me and bring My, I mean, our vision to life! I'm very organised. I do it for a living but this is next level organising and it becomes overwhelming so having them there to pick things up and run with it was a huge weight off my shoulders.

What I didn't expect was Kirra becoming an honorary bridesmaid! So helpful, hilarious and has THE . BEST . ATTITUDE! i was blow away by her positivity, incredible work ethic and ability to make everything run so smoothly and hype us up!! Looking back at our day I smile the biggest when I remember moment planning or while Glam was happening with her... My favourite photos from the day are where Kirra is there making us laugh... It's the full shebang with this team! So don't even think about it. BOOK NOW! Don't walk, run!

LINDESAY HOUSE AND THE ISLAND

Hands down, could not have done or survived our incredible wedding day without Kirra & Sig and ALL the beautiful team at Little Lane Events. We went through 2 postponements, venue changes, dress changes, rain in the morning, completely soaking us all! but nothing but smiles all day, honestly I cannot recommend enough, I have told almost every future bride I have met the investment into these ladies should be top of their list!!! I cannot thank them enough xxx

Kkirra and the Little Lane Team were amazing from start to finish. Kirra is so warm and welcoming and makes the experience as stress free as possible! It really felt like I had known Kirra for years and her energy and excitement really added to the build up of the day. From styling through to coordinating the Little Lane Team really allows you to focus on enjoying your day and take care of all the details and supplier logistics, we would not have had half the fun if it hadn't been for the organisation and effort shown by the whole Little Lane Team.

"Thank you for being the most wonderful, fun, beautiful planners! We really enjoyed our catch ups and always knew you had everything under control.

Thank god you were there on the day! It could not have been the easiest wedding in the torrential rain, water access only venue!

We still had the absolute best, most memorable day

LUCIE AND EDDIE
